- The Water Ballet Show is Tuesday at 7:30PM; arrive early to get settled into a spot on the hill and grab a snack from the concessions table at the top of the hill
- Session 2 lessons end next Friday - be sure to bring a note or token of appreciation to any special teachers from this session!

Trivia Night

SATURDAY, JULY 19TH AT 7:30PM

An annual tradition at Parkcrest is Trivia Night! An **adults-only** night filled with fun, friends, and serves as a major fundraiser. Our host, Chip, carefully curates a **mix of questions** with something for everyone: pop culture, history and literature, sports, geography, entertainment, science, and so much more. Back by popular demand this summer is a music category with "greatest and not-so-greatest hits from today, yesterday, and maybe the day before yesterday." The night will also feature a category known in advance only to the teammates of a generous bidder who bought the naming rights (but not the answers) at the Adult Social silent auction in June.

If you need a little help, there will be **clues available**, so bring your wallet as well as your knowledge: 1 clue \$10 (a la carte); 5 clues \$40 (for the confident and frugal); 10 clues \$80 (good to help settle table arguments); 15 clues \$120 (Parkcrest appreciates your support). There is also a comprehensive **Cheat Sheet** available for category #2, for \$50.

And new this year ... there is a special **MegaClue** available for \$50. Proceeds from the MegaClue will go directly to the [Friends of Parkcrest](#) and will be dedicated to the **Parkcrest Facility Renovation project**. The team of Vannas will be circulating through the night to help with clue and cheat sheet package purchases!

Swimming around Madison

We know it is a busy time at Parkcrest, but next week (July 23-26), the Soderholm Family Aquatic Center at UW-Madison will be host to one of five TYR Futures Championships around the country. For those of you familiar with the USA Swimming meet structure, Futures falls between Sectionals and Junior Nationals. This meet will draw some of the best athletes from all over the midwest. If you'd like to attend or volunteer, more information can be found here.

Penguins of the Week

MADDIE GERHARDT & MEGAN HANSEN

Maddie and Megan are both Head Guards and our Water Ballet Show directors again this year. These besties have been dedicated Penguins and friends for more than ten years.

Maddie has been a participant in the water ballet show for a decade, helping run the groups for at least five years, and this is her second year as co-director of the show. One of her favorite things about Parkcrest summers is all of the excitement getting ready for the show - the hair and makeup on the upper deck, and the kids in their costumes so excited to perform. As a kid she loved watching the Guard Routine, and now has loved getting to be a part of it the past few years! Maddie is heading downtown in the fall to study nursing at UW-Madison.

Megan has also been a performer in the water ballet show for ten years, helping with the routines for three years, and this is also her second year serving as co-director. Megan will be heading to Minnesota in the fall to study nursing and row for University of Minnesota.

These ladies have put so much time, effort, and dedication into this year's water ballet show and working with all of the groups of kids (and adults!). Make sure to snag your seat on the hill on Tuesday, July 22 at 7:30PM to come watch "Past Bedtime at Parkcrest"!
