Penguins of the Week

BRACELET BUDDIES

This summer, some Parkcrest swimmers **banded** together in a creative endeavor to help raise money for our beloved pool and upcoming renovations! Lauren and Olivia had the great idea of making bracelets to sell and contribute to continuing fundraising for our new pools and more. This fundraiser ended up lasting the whole summer, making countless woven bracelets, beaded bracelets and penguin earrings.

The team of Bracelet Buddies created items which they sold at swim meets, All City, and other pool functions. They ended up making \$144.82, all which has been donated to Friends of Parkcrest. Many buddies helped in the making and selling of bracelets and other items, as well as donating supplies; thank you to Hannah E, Kinley W, Nora B, Clara C, Jane B, Linnea B, Bella G, Lauren H, and Olivia B for all of your efforts!
