Air Quality and Weather Closures

CHECK THE PC WEBSITE FOR THE MOST CURRENT STATUS

With current air quality concerns and weather closures, it is important to remember that our goals are to keep the pools and courts open whenever it is possible to do so safely, while also protecting the health and safety of members and staff. Members are always encouraged to make their own decisions about participation, aligning with their personal health and comfort.

Social Updates

TRIVIA NIGHT WAS NOT TRIVIAL

Trivia Night was a huge success! We had thirty two teams participate, gave away four raffle prizes, and raised more than $12K for our Parkcrest community! Thank you to our host Chip, our Vannas, and everyone who came to make it a night of fun.

NO, YEAH, FOR SURE... IT'S EUCHRE NIGHT!

The PC Social committee is teaming up with some euchre loving Penguins to host a euchre night on the basketball court! We are in early stages of planning and want to gauge interest. Players of all skill levels are welcome, and you can come solo or with a partner. We will be crowdsourcing card tables, chairs, and Wisco/midwest themed drinks and snacks. Please fill out this google form if you're interested so we can keep planning!

I'M INTERESTED!

All-City Benefits All Members

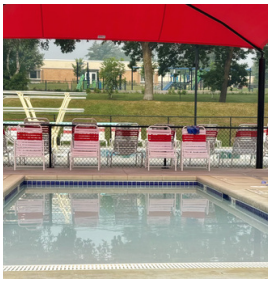
HOSTING THE ALL-CITY SWIM MEET HELPS US ALL

Every **thirteen years**, Parkcrest Swim and Tennis Club hosts the All-City swim meet, and members are required to fulfill volunteers shifts to help run this massive event. But why does the Board of Directors require all members lend a flipper? Isn't this just a swim team event?

The All-City swim meet brings together **more than 10,000 people** from around the Madison area and far beyond. While swimming is the focus, this event is an opportunity to **welcome the entire community to Parkcrest**. We want to highlight all of the amazing things about Parkcrest. Why did YOU join? What do YOU love about Parkcrest and want to show off?

The All-City swim meet is a huge **fundraiser for Second Harvest Food Bank**, who are working to solve food insecurity in our community. They believe that everyone deserves access to enough nutritious food to thrive. The All-City league believes in the mission of Second Harvest Food Bank and supports their important work, including fundraising through the All-City swim & dive meets.

The team of dedicated Parkcrest members who have been planning this year's All-City swim meet for almost two years, have been working hard to f**undraise for Parkcrest** as a part of hosting this massive event. We need all members to pitch in, and make this **fundraising opportunity for Parkcrest** as successsful as possible. Every volunteer job - from helping attendees figure out where to go, to selling Parkcrest Famous Brats - helps us make the most of this opportunity. Our beautiful new pools and courts have outstanding bills that need to be paid off before we can move on to Phase 2 renovations of the bathhouse and locker rooms. Your help with All-City, helps Parkcrest continue to improve.



When the whole swimming community is coming to Parkcrest, we need the whole membership to participate to ensure it is a fantastic event! Sign up for your volunteer shifts - those required, and any other shifts you are able to help with - now.

JULY 30 SHIFTS | JULY 31 SHIFTS | AUGUST 1 SHIFTS

Swim & dive team families are required to volunteer for two All-City volunteer shifts, on top of their regular season volunteer requirements. All other members are only required to fulfill one volunteer shifts or be assessed a $100 buyout fee. If you have any questions, or volunteering will constitute a hardship for you, please reach out to pcallcityvolunteers@gmail.com.
