Penguin Press

Thank you, Parkcrest!

IT WAS AN AMAZING, AWESOME ALL-CITY

When the receipts are all totaled, the final pieces of rental equipment are returned, and the last dishes are cleaned, we are excited to share a full recap of All-City 2026! Until then, a huge thank you to every member who fulfilled their volunteer shifts and more, the many long time friends who returned to help, and the entire All-City league community! It was a truly remarkable event that would not have been possible without the dedication, support, help, and heart from everyone. Swimmers and spectators alike only had positive feedback on the meet and Parkcrest as All-City hosts. We all should be proud to be part of this Penguin community!
